# Level 2 Certificate in Nail Technology

## Course information

Guernsey College of further education

# Level 2 Certificate in Nail Technology

**Course details**

This part time course has been specifically designed to develop your practical skills in providing nail technology. This course is ideal for learners seeking a career as an employed and/or self-employed nail technician.

Sessions will be a mixture of theory and practical work, where you will study the following units:

- Manicure treatments
- Nail enhancements to include uv gel, acrylic and fibreglass/silk, and maintenance
- Nail art
- Following health and safety practice in the salon
- Client care and communication in beauty-related industries

Classes are held at Les Ozouets Campus on a Wednesday from 5.30 – 8.30pm over three terms (36 weeks). The course commences on 12 September 2018.

The cost is £1,300 plus £375 for essential kit - including dust, wraps, foils, rhinestones, glitter stripers, brushes, nail art pens and tools to produce effective, long-lasting nail designs, and anything else you might need.

Students will be given five manicure kits as part of the course. As an example, the Star Nails nail art kit contains:

*Attitude professional nail polish (4)*
*Precision painter brush*
*Skinny striper brush*
*Super striper brush*
*Special effects tool*
*Finishing sealer*
*Nail art pens (5)*
*Glitter striper*
*Dust (4)*
*Dust mixer*
*Metallic wrap adhesive*
*Metallic wrap*
*Striping tape*
*Rhinestones*
*Nail art canes wheel*
*3D diamante rose wheel*
*Nail art tweezers*

VTCT

*NB The course will run subject to minimum numbers being reached.*
