

## How do I get the qualification?

By a series of projects (assignments and assessments) based on:

- classroom study and
- practical sessions in the College Beauty Salon

Also during the course there will be opportunities for visits to various salons and other places of interest.

There will be training and demonstrations from professional skincare and nailcare companies.

If you would like to find out more details about either the NVQ Level 2 or 3 course Beauty Therapy, please contact:

Racheal Gunns,  
Programme Manager
