Brief about content

Assessment strategies

A part time course for mature students who are working or intending to work with children and young people. It is expected that you already work in settings or services whose main purpose is children's care, learning and development.

Examples include:

- nursery assistants
- creche workers
- special educational needs assistants
- teaching assistants
- working with young people

The course provides a level 2 qualification for those who work with or wish to work with children aged 0-19.

The course consists of mandatory and optional units:

- communication
- equality and inclusion
- child and young person development
- safeguarding children
- first aid

The certificate will require 35 credits in total.

A range of assessment methods used including direct observation, written assignments, and professional discussion.
