

# Study for a Foundation Degree on Island

## Foundation Degree in Early Years Care & Education (FdA)

Guernsey College are delighted to be working with Brighton University to offer this Foundation Degree over a 2.5 year period.

You will explore a combination of relevant theories from the fields of education, sociology, psychology, and health and social policy, and examine the role of the family and wider institutions in the education and care of young children.

Work-based activities give you the chance to gain hands-on experience and ensure you have the solid practical ability necessary to advance your career in early years education and care.

The diverse programme enables practitioners access a wide range of careers in contexts including primary schools, children's centres, healthcare, social work, the police, and research.
