

INFORMATION FOR CLIENTS

We would ask you to consider the following points when visiting Visions Hair & Beauty Salon:

- We offer a professional service within a training environment.
- All students work under the supervision of a qualified lecturer.
- We make a reduced charge for treatments as our students are working towards their qualifications.
- Certain treatments may only be offered at any one time due to the scheduling of training sessions.
- Treatment times and availability may vary.
- Our students aim to keep to appointment times but may occasionally run late. We ask for your understanding with this.
- On rare occasions sessions may need to be cancelled and, if so, the College will make every effort to notify you in advance and rearrange alternative appointments.
- We require at least 24 hours' notice if an appointment is to be cancelled, or we regret we will need to make a charge of 50% of the appointment fee.

Skin Testing

To comply with health and safety regulations, skin testing is required at least 48 hours prior to treatment. Without a skin test, the following treatments can not be carried out:

- Eyelash and Eyebrow Tinting.
- All Permanent Hair Colour

All persons under the age of 16 must have written permission from their parent or guardian for any treatment.
