

Add the
spark to your
career

The Guernsey Apprenticeship offers you the opportunity to earn a salary and gain a nationally recognised technical, professional or vocational qualification in a job you love. You will need to have secured employment before applying or look at the 'Apprenticeship Vacancies' on our website.

What we offer

This course is available to employees currently working in the electrical contracting or supply industry or those whose work involves electrical installation, maintenance, repair or modification of existing installations. It allows you to learn, develop and practice the skills required for progression in the sector.

The course is in line with industry standards and will enable you to work at the level required in both Guernsey and the UK.

Course duration

The recommended time for completion of this course is 5 years. You will attend College for one day a week for off-the-job training.

Qualifications gained

- City & Guilds Level 3 Diploma in Electrotechnical Technology
- City & Guilds Level 3 18th Edition Certificate
- City & Guilds Level 3 Inspection and Testing Certificate
- Certificate of Apprenticeship

Campus

Off-the-job learning will take place at Coutanchez Campus, Guernsey College of Further Education.

Course breakdown

Year 1

Understanding of:

- the electrical principles associated with the design, building, installation and maintenance of electrical equipment and systems
- health and safety legislation, practices and procedures
- the practices and procedures for overseeing and organising the work environment

Year 2

- the principles of planning and selection for the installation of electrotechnical equipment and systems in buildings, structures and the environment

Assessment methods

You will be assessed throughout the duration of the apprenticeship in the following ways:

- Online short answer question tests
- A portfolio of evidence
- Practical observations
- Written assignments
- Written exams
- AM2 Practical observation

The onward journey

After successfully completing your Level 3 apprenticeship, you will be prepared for advancement within the electrical industry.

Who can apply?

Apprenticeships are available to all.

You will be assessed for suitability using a range of online tests with support and guidance offered where necessary.

If you have not achieved your maths and English qualifications, you will be required to complete a functional skills programme through the College, before completion of the course.

Student support

The College's Learner Support Services are available to provide support and help to make a success of your apprenticeship journey.

The College also works in partnership with Careers Guernsey whose advisors can support you in helping to choose the right next step for you and your future plans. They can support you in preparing for apprenticeship job interviews and any applications you may make. Please visit their website for more information at careers.gg.
