Level 3 Diploma in Dental Nursing

This City & Guilds qualification focuses on the technical skills and knowledge required to be a professional dental nurse. Units of study will include direct chair-side work and support during a range of dental treatments, organisational and legal requirements which underpin high quality dental care, and the role of the dental nurse in meeting patients' needs.

Tutor profile: Catherine Rowberry

Catherine qualified as a registered dental nurse in 1987 after training for two years at the University of Manchester Dental Hospital. She holds both the National Examining Board for Dental Nurses (NEBDN) and the University of Manchester qualification for dental nurses. She also has a distinction in Oral Health Education (University of Nottingham).

Catherine has worked within dentistry for over 30 years as a dental nurse and practice manager in both NHS and private practice and she is passionate about teaching dental nurse students.

She is looking forward to working with Guernsey College of Further Education.

Start date: January 2021

Location: Workplace

Delivery: Online every Tuesday 6.00pm - 9.00pm plus two assessment weeks - over two years
