

# Level 5 Diploma in Education & Training

# Level 5 Diploma in Education & Training

## Course outline

The Level 5 Diploma in Education & Training is a City & Guilds accredited teaching qualification which has a teaching/training practice requirement. It is a qualification designed for those working or wishing to work as teachers/trainers. All candidates will be required to complete a minimum of 100 hours of teaching as part of the study programme over two years.

The course is ideal for

- Individuals who work or who want to work as teachers/trainers in the further education and skills sector
- Teachers/trainers who are seeking career progression in their area of work
- Individuals who work with students on a one-to-one basis
- Individuals who have completed the Level 3 Award in Education & Training or similar and wish to progress their formal training

## Assessment methods

The qualification will be assessed by a combination of written assignments, presentations, a portfolio of teaching evidence and observation of teaching/training.

## Subject content

During the course you will:

- Gain knowledge of the relationship between theory/principles and practice in the context of your existing or future role
- Develop a planned approach to reading and research relating to principles, theories and practice
- Consider how professional values impact on working in your area
- Learn how to deliver courses in a job role
- Be able to evidence a reflective approach
- Reflect on your own practice

The qualification covers the knowledge and skills required by teachers/trainers in the further education and skills sector, such as:

- Teaching, learning and assessment in education and training
- Theories, principles and models of education and training
- Wider professional practice and development in education and training
- Action research
- Developing a specialism
