STUDENT SUPPORT

Students at the College are kept safe through a range of processes and procedures that are in place. All of our staff are trained in

safeguarding but we also have a dedicated team of safeguarding professionals that work within the Student Support team.

Safeguarding Officers & Progress Coaches

All staff, students and visitors are required to display their College ID when on campus, and also to sign in and out of the building. This helps us to ensure that we have a safe environment where everybody can feel supported and focus on their studies.

We provide education and guidance on how students can keep themselves safe whilst in College, in the community and also online. Information is made available via the Student Handbook on the College website.

HOW CAN I BE HURT?

Physical abuse

People should not touch you in a way that hurts. People should not hit, kick, pinch, burn or push you, or bind or tie you up.

Sexual abuse

People should not

- Touch you if you don't want them to
- Make you touch them if you don't want to
- Say sexual things to you if you don't want them to
- Make you touch the sexual parts of their bodies if you don't want to
- Make you take part in a sexual act with them if you don't want to

Financial, monetary or material abuse

People should not steal from you. People should not bully you into handing over your money or things you own.

Neglect

If you have personal care support, people who are there to help you should not neglect or ignore you.

People should not take away your rights to basic living needs such as shelter, food and water, clothing and medicine.

People should not take away your right to make your own choices.

Exploitation

People should not groom or coerce you into doing things (this means persuade or make you do things) that are against the law.

Online abuse

People should not frighten, harass or groom you online.

Psychological or emotional abuse

People should not upset you by bullying or teasing you.

Discrimination

People should not treat you badly because of your

- Age
- Disability
- Gender
- Ethnicity
- Religion
- Sexuality

Self-harm

Sometimes young people try to hurt themselves to deal with overwhelming feelings. This can include:

- Cutting
- Burning
- Scratching
- Hair-pulling
- Overdosing

If any of these are happening to you or someone you know then contact a member of the Safeguarding Team or a Tutor:
