Who can apply

Candidates demonstrating real passion and motivation for the subject will be assessed for suitability through an informal interview, supported by a written reference from an employer.

If you have not achieved maths or English at C/4/Level 2, you will study these subjects to support progression and achievement of your chosen apprenticeship.

Failure to complete maths and English will prevent progression between apprenticeship levels or achieving your overall apprenticeship.

Entry to the Level 3 qualification will depend upon successful completion of the Level 2 Diploma.

Assessment method

You will be assessed throughout the duration of the apprenticeship through a portfolio of evidence that will include practical observations and short answer question tests.

The onward journey

After successfully completing your Level 3 apprenticeship, you will be able to apply for the Level 3 NVQ Barbering course as well as other courses offered by industry.

This apprenticeship will also prepare you for full time employment, to set up on your own or offer your services in the entertainment industry in areas such as television, film and theatre or the global cruise industry.

Additional learning support

The College's Learner Support Services are available to provide support and help to make a success of your apprenticeship journey.

The College also works in partnership with Careers Guernsey whose advisors can support you in helping to choose the right next step for you and your future plans. They can support you in preparing for apprenticeship job interviews and any applications you may make.
