

Early Years

Take the first steps in your career

Introduction

The Guernsey Apprenticeship offers you the opportunity to earn a salary and gain a nationally recognised technical, professional or vocational qualification in a job you love. You will need to have secured employment before applying or look at the 'Apprenticeship Vacancies' on our website.

This course is available to employees currently working within the early years and childcare industry. Working closely with your employer, it allows you to learn, develop and practise the skills required for working with children and young people. It will help you progress in the sector, with the opportunity to move on to further study if desired.

The course is in line with industry standards and will enable you to work at the level required in both Guernsey and the UK.
